Dear ,

This year marks the 20th Anniversary of the Tennessee Health Care Campaign! We are planning to officially mark the occasion by hosting our “20th Anniversary Celebration” at the Scarritt-Bennett Center in Nashville on Friday, June 19, and Saturday, June 20, 2009.

We are in the process of planning a memorable event that will celebrate past accomplishments, entice about the national health care reform that is now in the works, and anticipate what else is on the horizon. Guest speakers and presenters—faces from the past and present, and many of national note—will be featured at our two-day celebration.

We hope that you will join us for this celebration, and also hope you will help support the event and THCC by agreeing to be a Sponsor for the event. There are several sponsorship packages from which to choose, and each includes event passes, prime exhibit space, ads in the event program, recognition for you and/or your organization in our promotional and media materials, and other benefits. Most of all, *your Sponsorship helps support the work and mission of the Tennessee Health Care Campaign—20 years strong and growing stronger.*

Enclosed are *Sponsorship Packages* and the *Sponsor Commitment Form* for your consideration. I will be contacting you very soon to discuss this opportunity. And, if you decide to become a sponsor before our next contact, please complete the *Sponsor Commitment Form* and return it to us at your earliest convenience.

Thank you for your time and consideration. I'll be in touch soon and please feel free to contact me if you have questions in the meantime.

Sincerely,

Susan McKay
